\_\_\_\_\_

Must provide proof of insurance with 1-million-dollar umbrella coverage if doing the work yourself. A list of Licensed Contractors currently allowed to work in public right of way is listed at the Office of the County Engineer (641-424-9037).

Mark the location of the access on next page. Include narrative of any local landmarks that would aide in finding the location. The location should be marked by the applicant so inspector can find it (tile flags are available from the office of the County Engineer). How are you marking the location?

\_\_\_\_\_

I have read the Cerro Gordo County Access policy and its terms and conditions.

Signature \_\_\_\_\_

Date \_\_\_\_\_

Mark approximate location of entrance and label the roads
